Boasting a sophisticated yet comfortable atmosphere, this distinctive retreat overlooks Sanibel and Captiva Islands on Florida's southwest Gulf Coast.

SURROUNDINGS/HISTORY

Surrounded by thickets of Florida's natural landscape, Sanibel Harbour Marriott Resort & Spa is located on the tip of Ft. Myers overlooking Sanibel Island. Set in an area rich with history, Sanibel Harbour Marriott Resort & Spa is situated on Punta Rassa, a point of land where the Calusahatchee River meets the Gulf of Mexico. Once inhabited by the Calusa Indians and traveled by infamous explorers such as Ponce de Leon, the area neighboring the resort began to develop in the 1800's when a Civil War era telegraph station was built. The owner of the telegraph station and his wife built a rooming house for cattlemen, which later evolved into a small inn along the quiet shores. In a 1906 the inn burnt down and was later restored to what we know today as the breathtaking Sanibel Harbour Marriott Resort & Spa.

ACCOMMODATIONS
